

MADE IN THE USA

WE'RE HERE TO ASSIST

THE PERFECT SOLUTION FOR KEEPING
YOUR GOLF COURSE OPEN FOR BUSINESS
WITHOUT PUTTING PLAYERS AT RISK.

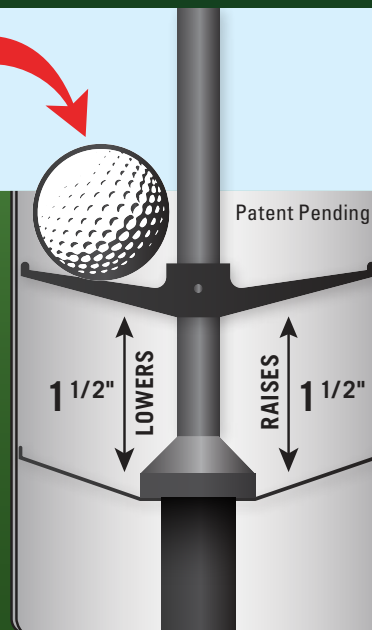

USGA DECISION #2020-0142 | PERMITTED UNDER THE RULES OF GOLF

Adjustable receiver cup allows
player to retrieve ball without
touching the flag pole or cup.

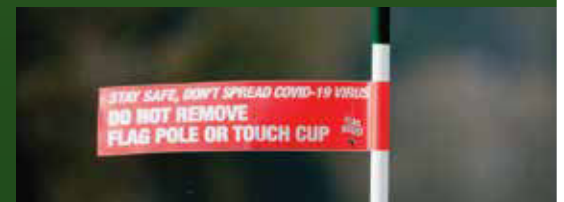

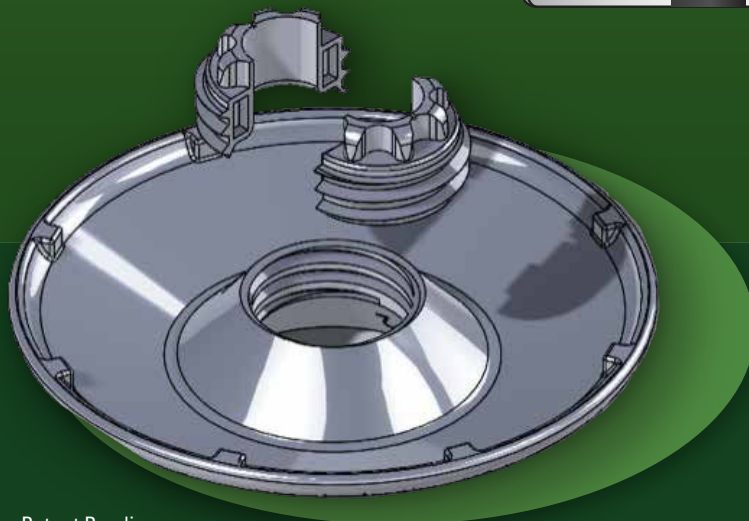

- Easily installs on to ALL regulation flag poles, including tapered.
- Secured using our proprietary split tapered-nut.
- When COVID-19 is behind us, simply loosen the screw and return the receiver cup to the top of the ferrule - providing effortless ball retrieval, speeding up play and limiting damage to the cup and turf.

With current conditions
Flag Assist is an absolute MUST
for golf courses worldwide.

ALL ORDERS PROCESSED & SHIP IN JUST 3 DAYS

- Visit our website flagassistgolf.com to order your receiver cups now!
- Include vector artwork of your logo or wordmark with your order for a customized cup.
- COVID-19 regulatory flag stickers included with each set of flag assists ordered.

FLAG ASSIST BENEFITS

- Adjust to your desired height.
- Installs in minutes!
- Helps prevent damage to edge of turf.
- Keeps flag straight and centered, even in windy conditions!
